The Community Hall is not available this year as it is under construction so we have decided to bring our crafters to Main Street! This year's Craft Show will be organized like the Toronto Distillery District Christmas Market, with vendors flanking the street, adding colour and vibe to this wholesome community event. There will be one large tent holding a number of crafters and individual crafting tents situated along the street easily accessible to all (no cramped stairs!).

We realize that this is a significant change in the format, however we believe that it will be a positive one. We have had many years in the Community Hall and over the past two we had a few crafters located outside. Sales for our outdoor vendors (who had previously been inside the Hall) had a 100% increase in their sales.

Don't send any money along with your application.

We will have fewer spots this year, and will be curating those we get to reduce duplication. We will prioritize early applicants (and to be fair we will take previous emails, contacts and letters into account). We will contact you within 2 business days of receiving your application. Thank you for your patience in this transition year and also for your support!
